

For the second consecutive year, the Phoebus High School Phantoms football team had a remarkable season. On December 12, the Phoebus High School Phantoms won their fifth state football championship this decade, defeating Stone Bridge High School of Ashburn 15–10, at Scott Stadium in Charlottesville, Virginia.

Taking over from coach Bill Dee, new head coach Stan Sexton led the Phantoms another 15–0 season. Their winning streak now stands at 30 wins. No other Group AAA school has won back-to-back championships since Phoebus did it in 2001 and 2002; now Phoebus has done it again. This has truly been Phoebus' decade in football, having won five state championships this decade with a record of 120–12 (.909). No other AAA school has won more than 102 games. This latest championship is just another accolade for the City of Hampton's youngest school, founded in 1975.

Phoebus High's legacy of excellence is not limited to just the field of athletics. Under the Direction of Principal Robert Johnson, the Phoebus faculty seeks to inspire students to strive for excellence and achievement in the classroom, in their extracurricular activities and in their communities. Phoebus has two innovative programs that expand the learning experience outside of the traditional classroom. Phoebus hosts the Hampton School Division's Center for High Technology. This magnet career academy includes classes in pre-engineering, design and 2 drafting, and Cisco network administration, preparing students for college classes and jobs in the technology sector. Phoebus is also home to the Blue Phantom Inn. This student-run restaurant gives students an opportunity to develop their culinary arts skills, and was nationally recognized in Southern Living magazine.

The Phantom's excellence in football is also characteristic of the quality of athletics in the Peninsula District of Virginia. Phoebus High School's championship this year marked the 11th time in the last fifteen years that a Peninsula District team has won a state title in football. To quote from our hometown newspaper, the Daily Press, "High school football on the Peninsula is championship football."

We would like to extend our enthusiastic congratulations to Coach Stan Sexton, his coaching staff and all of the players on the Phoebus High School Phantoms, the 2008 and 2009 Group AAA Division 5 Virginia High School League state football champions.

ON THE RETIREMENT OF DAVE LAUGHTER

HON. BART GORDON

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 16, 2009

Mr. GORDON of Tennessee. Madam Speaker, I rise today to recognize the service of a valued staff member of the House Committee on Science and Technology, David Laughter, on his retirement.

Dave has served as Financial Administrator for the Committee since 2001. He has been on the Hill since 1994, working for the House Committee on Ways and Means and Congressman DAN BURTON of Indiana. Before coming to the Hill, he served as the Deputy Administrator for Management and Policy Sup-

port for the United States Department of Agriculture, USD; Rural Electrification Administration, REA; and as the Vice President/General Manager for an OEM manufacturer supplying large sheet metal stamping dies and special machinery to domestic and transplant auto assembly plants in North America.

Dave received his B.A. in Economics from Hillsdale College in Michigan. He is from Dayton, and, as a native Ohioan, he has a special place in his heart for the Bengals, the Reds, and Skyline Chili.

Madam Speaker, Dave is the first person new employees meet on their first day, and the last person they see when they are leaving on their last day. Dave handles all the Committee staff benefits and payroll, he maintains our budget to ensure we're on track, and he makes sure that all our bills get paid. Dave has provided a steady hand on the Committee's financial tiller for these past 8 years, and I want him to know how much I appreciate his hard work.

I know Dave has wrestled with this decision, and while I don't expect him to turn into a "Nature Boy," I'm sure he's looking forward to having a little more time to pursue his other hobbies and interests.

I know that all of the Science and Technology Committee's members and staff wish him well. He'll have more time to spend with his lovely wife, Marsha, his children, Carrie, David, and Brittany, his grandchildren Peter and Meredith, and his other family and friends. We hope Dave enjoys a relaxing retirement filled with fishing, grilling, and listening to classic rock.

Dave, thank you again for your years of service.

IN HONOR OF MR. MARVIN N. SCHOENHALS

HON. MICHAEL N. CASTLE

OF DELAWARE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 16, 2009

Mr. CASTLE. Madam Speaker, it is with great pleasure that I rise today to pay tribute to Mr. Marvin N. Schoenhals, former Chairman of the Wilmington Savings Fund Society (WSFS). Mr. Schoenhals, through his leadership, hard work and dedication, has accomplished a great deal for the state of Delaware, and I am honored to recognize him for his achievements, both personal and professional.

Skip joined WSFS in 1990 as President and Chief Executive Officer of both WSFS Financial Corporation and its principal subsidiary, Wilmington Savings Fund Society, located in Wilmington, Delaware. He was named Chairman in 1992 and served in this capacity until November 1, 2009, when Skip assumed the role of non-employee director. Skip's nearly 20 years as WSFS Chairman are marked by many noteworthy accomplishments; during his tenure, Skip led the \$3.6 billion financial services company to world class service levels and significantly increased shareholder value.

But Skip's impact on others is not limited solely to his professional career. He is a role model for others and is actively involved in his community, lending his knowledge and expertise to worthy causes and organizations. Skip is Chairman of Vision 2015, a coalition of Delaware leaders working towards making Delaware's public education the best in the world. He serves on, and from 2003 to 2004 was Chairman of, the Board of Directors of the Delaware State Chamber of Commerce and is also a member of the Delaware Business Roundtable, Chairman of its Education Committee, and a Trustee, and former Chairman, of the Delaware Public Policy Institute.

A cause very dear to Skip's heart is the Sunday Breakfast Mission, our state's largest shelter and rehabilitation facility. Each fall, WSFS partners with the Sunday Breakfast Mission to sponsor the Great Thanksgiving Food Drive, and, as Chairman of the Mission, Skip spearheads the effort, working diligently on behalf of his fellow Delawareans. With Skip's direct involvement in this initiative, the drive has experienced exponential growth, collecting a total of 37 tons of food for 2008. In 2009, Skip was awarded the Delaware State Chamber's Josiah Marvel Cup. This distinguished award is given annually in recognition of outstanding contributions made to the state, community and society; I applaud the Chamber's selection of Skip for this recognition and can say without hesitation that the honor which has been bestowed upon him is one he most truly deserves.

Skip's career in the financial industry has been nothing short of exemplary, and anyone that knows Skip knows that he is, and no doubt will remain, very active in his many professional, business, community, and advisory
